

# Pickup Truck

## Kings of Leon

Walk you home to see  
Where you're living around.  
And I know this place.  
Pour yourself on me,  
And you know I'm the one  
That you won't forget.In your den always,  
I see something's right,  
When I see your wink.  
When he comes around,  
I see you're fixing the shine,  
And my face won't speak.Hate to be so emotional,  
I didn't mean to get physical,  
But when he pulled in and revved it up,  
I said you call that a pickup truck,  
And in the moonlight I throwed him down.  
A kicking, screaming, a rolling around.  
A little piece of a bloody tooth,  
Just so you know I was thinking of you,  
Just so you know I was ohTrembling knees are weak,  
And its cold as a hole,  
Hug your bones and skin.  
Crackling wood's gone white,  
And my eyes swolled up now,  
I can see the light.Hate to be so emotional,  
I didn't mean to get physical,  
But when he pulled in and revved it up,  
I said you call that a pickup truck,  
And in the moonlight I throwed him down.  
A kicking, screaming, a rolling around.  
A little piece of a bloody tooth,  
Just so you know I was thinking of you,  
Just so you know I oh  
Just so you know I oh  
Just so you know I ohI hate to be so emotional,  
I didn't mean to get physical,  
But when he pulled in and revved it up,  
I said you call that a pickup truck,  
And in the moonlight I throwed him down.  
A kicking, screaming, a rolling around.

A little piece of a bloody tooth,  
Just so you know I was thinking of you,  
Just so you know I was thinking of you,  
Just so you know I oh  
Just so you know I oh
