

I'll Go Crazy

James Brown & The Famous Flames

Oh, you know I feel alright, oh yeah
You know I feel alright, children, oh yeah
You know I feel alright, oh yeah
Ah, you're hanging me up, baby, yeah babe If you leave me, I'll go crazy
If you leave me, babe, shall I go crazy
'Cause I love you, I love you
Oh, I love you too much And if you hurt me, I'll go crazy
If you ever go and hurt me, baby, I'll go crazy
'Cause I love you, I love you
Oh, I love you too much You've got to live for yourself
Yourself, for nobody else
You've got to live for yourself
Yourself, for nobody else Oh baby, I'll go crazy
If you ever leave me, babe, I'll go crazy
'Cause I love you, I love you
Oh, I love you too much You've got to live for yourself
Yourself, for nobody else
You've got to live for yourself
Yourself, for nobody else Talk about me ever loving you
If you hurt me, baby, you know that I'll go crazy
'Cause I love you, I love you
Oh, I love you much more than I can stand I'm talking about you
