Sex Talk (1985 Demo)

T'Pau

I just feel like talking to someone
I don't care who it is
I just wanna have a laugh
You know how it is, yeah yeah
All of the day in the same old room
Well, I'm going out of my mind
I can't throw this out of the window
It's mine all mine
You better believe it
Hell, you know I mean it
I've been on my own too long
In desperation I learned many things
But mostly it's each to their ownSex talk
Intimate strangers
Well it's only sex talking on the phone
Love without a faceI just need a pat on the back
Tell me that I'm still alive
Like Spider Man
I'm climbing the walls
I want my prize, yeah yeah
I don't remember
When it crept up behind me
I don't know when I got so wet
All I know is I was looking for something
But I forgetYou see that I can't go on living like this
I've been on my own too long
You know I looked around
Never found love
Far away it called one daySex talk
Intimate strangers
Well it's only sex talking on the phone
Love, love, love, without a faceI don't remember when it crept up behind me
I don't know when I got so wet
All I know is I was looking for something
What was it? What was it? I forgetAh well, it's easy for you
To be shocked at what I do
You've probably got someone at home
I never had anyone to love me
Anyone to hold me

I take what I can on the telephoneSex talk, intimate strangers
Well it's only sex talking on the phone
My kind of love without a face
And we talk oh! yeah!
Intimate strangers
Well it's only sex talking on the phone
Love, love, love, without a faceGimme your love
Gimme your love
Talk to me, woh yeah!
Sex talk
We talk
We have a good time on the telephone lines
We talk oh yeah!
