In The World

Akinyele

my baby left me last night
and then I met his best friend
and he took me to his house
and I said...I said...
(what you said baby)let me tell you what I said
Put it in my mouth
She said put it in her mouth
I said my muthafuckin mouth
I mean her muthafuckin mouth
Put it in my mouth
She said put it in her mouth my muthafuckin mouth
Verse
You wanna go down why not
I be like Herbie and han you a cock
and tell you that my name is AK
get on your kness, make like the breeze begin to blow
but dont give me no Ralph Loren grin
if your not down to go low deep in my mouth
I'm all about mouth fuckin
only if you down for dick suckin
if not, be chair and a beer...keep truckin
and fuck chap sticks
I'm comin ashy as hell, wit chapped dicks
for your chapped ass lips down in my mouth
creamin your teeth like dentists as Im rubbin them
with an erection like injections
fuck it I be druggin them
numbing up your tonsils
like ambesol anesthetic
cummin down your throat like chloraseptic no time for
apologin..girlfriend if you.....
swallowin{gurgle}....gagolin
I'm givin bitches permanent beers
put your lips here
and catch these damn facial hairs in your mouth
Put it in my mouth
Put it in your mouth
I said my muthafuckin mouth

I said your muthafuckin mouth
or you can just eat me out
or I can just eat you out
you can eat me out
yeah, whats that all about
Now you can lick it, you can sip it, you can taste it
I'm talkin every drip-drop, don't you waste it
baby, slurp it up, its enough to fill your cup
its finger lickin good
and Im wishin it would
go down kinda slow or even fast
Im always sprung once I feel your tongue
In the crack of my ass, just eatin me-nigga
goin out like that boy you pack such a tasty treat
and you can e a t m e o u t
but put it your my mouth
put it in your mouth
I said your muthafuckin mouth
I said your muthafuckin mouth
and you could just eat me out
what do ya choose to lick you could eat me out
pussy or dick? put it in your mouth
people through out the world I said your muthafuckin mouth
man it's your pick put it in my mouth
what do ya choose to lick put it in my mouth
pussy or dick? I said my muthafuckin mouth
people through out the world just put it in my mouth
yeah it's your pick muthafuckin mouth
what do you wanna lick and you could just eat me out
pussy or dick? in my mouth
people through out the world put it in my mouth
its..your..pick..hah baby-baby in my mouth
