

# Rich Kid Blues

## The Raconteurs

Been having bad times  
And I've been paying dues  
Got shoes and money  
And good friends too

Always play to win  
But always seem to lose  
That's why I think I got  
A rich kid's blues

That's why I think I got a rich kid's blues

And I know what is going on  
And I know, but I'll wait till dawn  
And I know just exactly what is on your mind  
Jumping back, I know if I'm still gonna lose you

But I'm wondering why, girl  
Did I ask your name?  
And all the people standing by  
Oh, they're in my game

Love's just a story  
A story without words  
Words are almost never seen  
And never even heard

I know what is going on  
And I know that I'll wait till dawn  
And I know just exactly what is on your mind  
Jumping back, I know it's all a rut, you want me to prove it to you

Though my good times  
Are just paying dues  
I've got shoes and money  
And good friends too

Though I always play to win  
I always seem to lose  
That's why I think I got

A rich kid's blues

That's why I think I got a rich kid's blues

I know what's going on

I know what's going on

What's going on

What's going on

What's going on
