## Last Perfect Thing

Whatever you have to say  
Whenever you feel this way  
Whatever you want to do  
I'll be with you  
I'll be with you Say  
These days  
Are crazy  
Speak  
The message  
Clearly  
So I can hear  
Drown  
The echo in this room  
Another broken day will fade away  
Bite down on the bullet  
Bite down on the bullet Whatever you have to say  
Whenever you feel this way  
Whatever you want to do  
I'll be with you Whenever this xylic moon  
Will fall on top of you  
And if that day is soon  
I'll be with you Leave  
These days  
For saving  
Leave  
The wreckage  
Bleeding  
So I can heal  
Tell  
The sorrow  
To stay low  
Another broken day will fade away  
Bite down on the bullet  
Bite down on the bullet Whatever you have to say  
Whenever you feel this way  
Whatever you want to do  
I'll be with you Whenever this xylic moon  
Will fall on top of you  
And if that day is soon

I'll be with you  
Bite down on the bullet  
Bite down on the bullet  
Whatever you have to say  
Whenever you feel this way  
Whatever you want to do  
I'll be with you  
Whenever this xylic moon  
Will fall on top of you  
And if that day is soon  
I'll be with you  
And I'll be with you
