

# After All This Time

Winger

If I said that I need ya, will it make you feel right?  
If I say I still believe in you, would you still shine a light down on my soul?  
I'm still finding comfortAfter all this time, your loving still feels right,  
I still need ya, I still believe in ya,  
After all this timeI've always longed to please ya, through all the years gone by  
I still look at you and never wonder why you still treat me right,  
I'm still finding comfortAfter all this time, your loving still feels right,  
I still need ya, I still believe in you,  
After all this time,  
After all this time.
