

# Can't Fight the Feeling

## Mother's Finest

performed by Mother's finest

You ask me what your love is worth to me  
I am the lock and you can turn the key...yeah  
I'll be your second hand - Second to none  
And I'll keep the feeling even when you're gone  
'Cuz I...

### CHORUS:

Can't fight your feelin'  
Can't fight your feelin'  
Can't fight your feelin'  
Oh I...  
Can't fight your feelin' now...  
Can't fight your feelin'  
No No No I

Can't fight your feelin'  
Can't fight your feelin'  
Can't fight your feelin'  
Oh I  
Can't fight your feelin' now...  
Can't fight your feelin'

First you say you will and then you won't  
Then you say you do but then you don't  
Can't you make up yo mind what you gonna do  
You're undecided now so I'll make your mind up for you

### ...CHORUS...

I can't fight it, baby  
I can't fight your feelin'  
I can't fight it, baby  
I can't fight your feelin'  
I can't fight it, baby  
I can't fight your feelin'  
I can't fight it, baby  
I can't fight your feelin'  
I can't fight it, baby

I can't fight your feelin'  
I can't fight it, baby  
I can't fight your feelin'  
I can't fight it, baby  
I can't fight your feelin'  
I can't fight it, baby  
I can't fight your feelin'

...CHORUS 2x...

First you say you will - Then you won't  
Then you say you do - Then you don't  
You're undecided now - What are you gonna do?...4x...

...CHORUS to FADE...

---
