Cuban Love Song (Remastered)

Xavier Cugat

I love you that's what my heart is saying
While every breeze is playing our Cuban love song
I love you for all the joy you brought me
The lovely night you taught me our Cuban love song
One melody will always thrill my heart
One kiss will cheer me when we're far apart
(Dear one) I love you with such a tender passion
and only you could fashion our Cuban love SongI love you that's what my heart is saying
While every breeze is playing our Cuban love song
I love you for all the joy you brought me
The lovely night you taught me our Cuban love song
One melody will always thrill my heart
One kiss will cheer me when we're far apart
(Dear one) I love you with such a tender passion
