Bet I (feat. Trinidad James)

Jacquees

This one for them girls
This one for them girls
Darkskin, Lightskin, Skinny thick girls
This one for them girls
This one for them girls
Darkskin, Lightskin, Skinny thick girls
When you need it girl, When you want it
I'll be right here, come and see me girl
I been patient, I been waiting
How you want it girl?
Your body's been calling, I know-ow-ow
When you with me girl
Ain't nobody judging we just kickin' it
So just let down your walls, Imma bring you in
So let me hold you to it girl
Oh yeah-ah-ah-ah-ah
It's the right time, so let's make good lovin'
Drinks up on the rocks, so you know what's comin'
Even when the sun comes up we still goin'
So let's not waste no time
Let's not waste no time
Cause you know now is the perfect time
Just to set the mood
So baby come stay with me
Tonight girl it's all on you, Imma show you what I came to do
I bet I-I-I-I-I
(Bet I make you weak, Bet I, Bet I make you weak) This is the perfect time
(Bet I make you weak, Bet I, Bet I make you weak) This is the perfect time
I got you weak in your knees
You can hardly speak
Your body's out of control, What else do you want from me
Just let me know, Let me know (Ah-ah-ah-ah-ah)
Come and ride on me
If you ready let's go
Imma give you what you need
Imma put on a show
Imma take you out girl
You gon' take me down
Oh baby why you trying me

I'm not that nigga to be tryin'
It's the right time, so let's make good lovin
Drinks up on the rocks, so you know what's comin'
Even when the sun comes up, we still goin'
So let's not waste no time, Let's not waste no time
Cause you know now
Is the perfect time to set the mood
So baby come stay with me
Tonight girl it's all on you
Imma show you what I came to do
I bet I-I-I-I-I
(Bet I make you weak, Bet I, Bet I make you weak) This is the perfect time
(Bet I make you weak, Bet I, Bet I make you weak) This is the perfect time
(Bet I make you weak, Bet I, Bet I make you weak) Ah-ah-ah-ah-ah
James (James)
I bet I make you weak
First time all in yo knees
I got my tongue all over your body making it hard to speak
And if you single like I'm single
We can cheat whenever
But if you got a man,
Baby act like you know betta
Aye, if she single like I'm single, then we can cheat whenever
But if you got a man, Baby act like you know betta
Cause you know he gon' call
You know he gon' text
She lookin' for a man
She ain't lookin' for no stress
Cause you know now is the perfect time
To come set the mood
So baby come stay with me
Tonight girl it's all on you
Imma show you what I came to do
I bet I-I-I-I-I
(Bet I make you weak Bet I, Bet I make you weak) x3The perfect time
(Bet I make you weak, Bet I, Bet I make you weak)
Aye
