

Can't Find My Way Home

Eric Clapton

Come down off your throne and leave your body alone
Somebody must change
You are the reason I've been waiting so long
Somebody holds the keyBut I'm near the end and I just ain't got the time, oh no
And I'm wasted and I can't find my way homeCome down on your own and leave your body at home
Somebody must change
You are the reason I've been waiting all these years
Somebody holds the keyBut I'm near the end and I just ain't got the time, oh no
And I'm wasted and I can't find my way homeBut I'm near the end and I just ain't got the time, oh no
Oh no, and I'm wasted and I can't find my way homeBut I can't find my way home
Still I can't find my way homeAnd I ain't done nothing wrong
Still I can't find my way home
And I ain't done nothing wrong
Still I can't find my way home
No I can't find my way home
No I can't find my way home
