

Sirens

Young Fathers

Riding along with a dusty picture
Sure is getting hard to say I missed you
It's in his blood it's in his nature
Husband a
Brother
A friend
But it's just too much
Too much
Oooh its' just too much
But you'll try a little more again
A husband
A brother
A friend
Sirens
Sirens
Sirens
Sirens
Sirens
Sirens
Sirens
Sirens
Sirens
SirensOur leading light
You walk upright
Such a vision in morning light
You sing the words you've never seen
And you talk to your garden in your dream
The police are on cocaine
And they wanna know my name
Said they love me all the same
Sirens
Sirens
Sirens
Sirens
Sirens
Sirens
Sirens
SirensRadio's
Hyping up a little more
Oh my oh my oh my
Who's next

The bullet never knows
Bang bang bang
Goes the lazarino
Hit the bulls eye
Fi fi fi finito
Shed them scales like a serpent
(ah ah ah)
Allergic to safety, too urgent
Too nervousSirens
Sirens
Sirens
Sirens
Sirens
Sirens
Sirens
SirensI'll put the blame on you
When god is dead
You point the gun at me
Take me instead
And I know there's violence
I see that look in his eyes
And I know its violence
Everything won't come out clear
Violate the silence
The silence
The sirens
The sirens
(Sirens)Sirens
Sirens
Sirens
Sirens
Sirens
Sirens
Sirens
Sirens
