Rose of Cimarron

Poco

Roll along, roll on
Rose of Cimarron
Dusty days are gone
Rose of CimarronShadows touch the sand
And look to see who's standin'
Waitin' at your window
Watchin' will they ever show?And can you hear them calling?
You know they have fallen on
And campfire's cold and dark
That never see a spark burn brightRoll along, roll on
Rose of Cimarron
Dusty days are gone
Rose of CimarronTrails that brought them home
Echo names they've known
Four days high and lonely
Comin' to you onlyAnd you're the one they'd turn to
The only one they knew who'd do
All her best to be around
When the chips were downRoll along, roll on
Rose of Cimarron
Dusty days are gone
Rose of CimarronShadows touch the sand
And look to see who's standin'
Waitin' at your window
Watchin' will they ever show?Roll along, roll on
Rose of Cimarron
Dusty days are gone
Rose of CimarronRoll along, roll on
Rose of Cimarron
Dusty days are gone
Rose of CimarronHearts like yours belong
Following the dawn
Wrapped up in a song
Rose of Cimarron
