nothing counts but their cash interest

middle finger high in the airyeah we gonna keep on dancing
we gotta fight , fight for the livin'everything is changing, no reason why...
only the strong should survive
my president is a liar

we gotta fight , fight for the livin'tha's me on your back , in your dreams, in your head
i'm your hate, i'm your best
i'm the next fucking sound in your head !!yeah we gonna keep on dancing
