

A Little Party Never Killed Nobody (All We Got)

Fergie

(Just one night all we got)

(Just one night all we got)

(Just one night all we got)

(Just one night all we got)

I ain't got time for you baby, either you're mine or you're not

Make up your mind sweet baby, right here, right now's all we got

A little party never killed nobody, so we gon' dance until we drop

A little party never killed nobody, right here, right now's all we got

At least I miss trips around the world, don't mean a thing if I ain't your girl
A little party never killed nobody, so we gon' dance until we drop

A little party never killed nobody, right here, right now's all we got
A little party never killed nobody, so we gon' dance until we drop

A little party never killed nobody, right here, right now's all we got
All we got, all we got, all we got, c'mon all we got (got) Got damn!

Glad that you made it, look around

You don't see one person sitting down

They got drinks in their hands and the room's a bust

At the end of the night maybe you'll find love

Fake chit chat 'bout the things they got

And my scout reputation keeping it hot girl

At the party of the year I'm a master plan

If you make me realize I'm your man
If the people get lost, underneath the moonlight

Hectic topic, paparazzi, hold it while I take this pic

Speak easy, rocking the fellas I'm breezy

Hope you can keep up boys, cause believe me, I'm a beat man
It don't mean a thing if I give you my heart

If you tear it apart, no, uh, uh, ah, oh

It don't mean a thing if I ain't in your eyes

Probably ain't gonna fly, no, uh, uh, ah, oh
It don't mean a thing if I give you my heart

If you tear it apart, no, uh, uh, ah, oh

It don't mean a thing if I ain't in your eyes

Probably ain't gonna fly, no, uh, uh, ah, oh
Just one night's all we got
What do you think GoonRock?

Are you ready?
A little party never killed nobody, so we gon' dance until we drop

A little party never killed nobody, right here, right now's all we got
A little party never killed nobody, so we gon' dance until we drop

A little party never killed nobody
