Can't Stop

Save Ferris

Yea
I found myself a drinkin' every night to protect myself
I never thought I'd even think about the words of someone else
But every time I use my ears
I think they fill my eyes with tears
It's never gonna happen again
No they're never gonna hurt me again
I ain't dead
I ain't underground
I wont let
Wont let them bring me down
Every now and then I hear the stupid things that people say
but I won't let it get me down because nothing is gonna get in my way
I ain't dead
I ain't underground
I wont let
Wont let them bring me down
Cant stop
Thinking about myself
Well I keep on drinkin to wash away
The thoughts I had of yesterday
Well im sitting and im thinking and you know

That you could be wasting my time away
Well im thinking about tomorrow and forget about the sorrow
So im thinking about today
Ohoh its my life
And im thinking about myself
Ohoh its my life
Aint got no time for no one else
When life is gettin crazy
And I'm heading for the door
I just, grab myself a bottle and poor myself some more
Some more yeah some more yeah yeah yeah yeah
There was a time in my life when all I knew was to play dead
Now I'm back on top and I don't give a damn
About, what's been said
I ain't dead
I ain't underground

I wont let
Wont let them bring me down
Wont bring me down won't bring me down down down down down
