

In the Still of the Night

[Aaron Neville](#)

At the moon in its flight
My thoughts all stray, stray to you
In the still of the night
While the world lies in slumber
Oh the times without number
Darling when I say to you Do you love me
As I love you
Are you my life to be
That dream come true
Or will this dream of mine
Fade out of sight
Like the moon glowing dim
On the rim of the hill
In the chill, in the still of the night Do you love me
As I love you
Are you my life to be
That dream come true
Or will this dream of mine
Fade out of sight
Like the moon glowing dim
On the rim of the hill
In the chill, in the still of the night
Of the night
Of the night
