Falling Into You

Aaron David

There is only one beginning, there is only one end
There is only one future left to be
Iâ€™ve lived this life with You, it didnâ€™t get me very far
Now itâ€™s time to be who I was made to be

You took all my failures and made me Your own
Now Iâ€™m Yours forever, Iâ€™ll never be alone

Iâ€™m falling into You, Iâ€™m falling into You
Iâ€™m letting go of everything thatâ€™s held me back from You
Iâ€™m falling into You, Iâ€™m falling into You
Take this life surrendered and make it something new

The truth of Your forgiveness, the strength of Your grace
The freedom found in the warmth of Your embrace
When this world caves in around me and I fall to my knees
I look to You to be the shelter that I need

You took all my failures and made me Your own
Now Iâ€™m Yours forever, Iâ€™ll never be alone

Iâ€™m falling into You, Iâ€™m falling into You
Iâ€™m letting go of everything thatâ€™s held me back from You
Iâ€™m falling into You, Iâ€™m falling into You
Take this life surrendered and make it something new
Iâ€™m fallingâ€¦

You took all my failures and made me Your own
Now Iâ€™m Yours forever, Iâ€™ll never be alone

Iâ€™m falling into You, Iâ€™m falling into You
Iâ€™m letting go of everything thatâ€™s held me back from You
Iâ€™m falling into You, Iâ€™m falling into You
Take this life surrendered and make it something new
