# Things You Do

## Love, Robot

So this is how it's gunna be
I never thought you would be pretending
I know enough because I've loved
And, you're not the same I can tell that you're fakingTake your time
Because you've taken enough of mine
This is where I will draw the line
Because I'm done with your lies
I've heard them over and over andYou said why
And I saidThe things you do aren't exactly
The things I'd do if I were you
But I'm not so I'll stop it's getting older
I'm sure, this time we're overThings you do aren't exactly
Things I'd do if I were you
But I'm not so I'll stop it's getting older
I'm sure, this time we're overDo you know what I think it was?
We were headed different places
And it's been tough I've had enough of
Mistakes that you make and both of your facesSay you'll stay
But I'll only push you away
Because I can't trust the things you say
It's all the games that you play
I've seen them over and over andYou said why
And I saidThe things you do aren't exactly
The things I'd do if I were you
But I'm not so I'll stop it's getting olderI'm sure, this time we're overThings you do aren't exactly
Things I'd do if I were you
But I'm not so I'll stop it's getting older
I'm sure, this time we're overLet's take it back to when we first had met
So many nights and not one damn regret
You made it seem like you would stay
You turned your back and in turn I pushed you away
You didn't make it easy
You didn't make it easy, believe me
The pounding in my chest, the nights that never end
The things you do are not what I would doThe things you do aren't exactly
The things I'd do if I were you
But I'm not, so I'll stop
It's getting olderThe things you do aren't exactly
The things I'd do if I were you

But I'm not so I'll stop it's getting older
I'm sure, this time we're overOh oh, oh oh oh oh oh [x3]
Oh oh ohThe things you do
Aren't the things I'd do
If I were you
If I were you
(Oh oh, oh oh oh oh oh [x3])
Oh oh oh
