

# Whips & Furs

## The Vibrators

Dance to the music  
Dance to the music  
Dance to the music  
Dance to the music'cause if you dance to the music  
The night will last, the night will last  
The night will go on and onHe drives a black Cadillac  
Whips and furs in the back  
He drives a black Cadillac  
Whips and furs in the backAn' if you dance to the music  
The night will last, the night will last  
The night will go on and onYou can take a chance on love  
One more dance on love  
You can take a chance on love  
One more dance on loveAn' if you dance to the music  
The night will last, the night will last  
The night will go on and onYou can take a chance on love  
One more dance on love  
You can take a chance on love  
One more dance on loveAn' if you dance to the music  
The night will last, the night will last  
The night will go on and on
