VERSE 1
I was born and raised in Havaii
In a really small town on the Westside
Where the sun goes to fall asleep
And where the people share everything and their love
Take a drive down Ferrington highway then youâ€™ll see
Why im proud to be from Nanakuli

CHORUS
I am proud to be from Nanakuli
It is the only place that I really (where I wanna be)
Want to be want to be
Im am proud to be from Nanakuli (im so proud)
I know that you will find this beautiful place (this beautiful place)
So unique , so unique (so unique)

VERSE 2
When I wake up early in the morning
I can feel the sun raise over Kolikoli ridge
And when this happens in Nanakuli itâ€™s a sign
That itâ€™s gonna be a beautiful day
When you find yourself stuck in this place
Im sure you will never wanna leave Nanakuli
