

# Nanakuli

## Laga Savea

### VERSE 1

I was born and raised in Hawaii  
In a really small town on the Westside  
Where the sun goes to fall asleep  
And where the people share everything and their love  
Take a drive down Ferrington highway then you'll see  
Why I'm proud to be from Nanakuli

### CHORUS

I am proud to be from Nanakuli  
It is the only place that I really ( where I wanna be )  
Want to be want to be  
I'm proud to be from Nanakuli ( I'm so proud )  
I know that you will find this beautiful place ( this beautiful place )  
So unique , so unique ( so unique )

### VERSE 2

When I wake up early in the morning  
I can feel the sun rise over Kolikoli ridge  
And when this happens in Nanakuli it's a sign  
That it's gonna be a beautiful day  
When you find yourself stuck in this place  
I'm sure you will never wanna leave Nanakuli

### CHORUS

### VERSE 3

I was born and raised in Hawaii ( in a really small town on the Westside )  
Where the sun goes to fall asleep ( and the people share everything and their love )  
Take a drive down Ferrington highway and then you'll see why  
I'm proud to be from Nanakuli

### CHORUS x2
