

Slow Jamz

Twista

Are you gonna be, say that you're gonna be
She said she wants some Marvin Gaye, some Luther Vandross
A little Anita, will definitely set this party off right
She said she want some 'Ready For The World', some new edition
Some Minnie Ripperton will definitely set this party off right
I told her to drop over in your new whip
Bring some friends you cool with
Imma bring da cool whip
Then I want you to strip
See you is my new chick
So we get our grind on
She be grabbin, callin' me Biggie like Shyne Home
Man I swear she fine homes
Why she always lying though
Tellin' me them diamonds, when she know they rhinestones
She got a light skinned friend look like Michael Jackson
Got a dark skinned friend look like Michael Jackson
I played 'Ready For The World', she was ready for some action
My dawg said you ain't no freak, so you 'bout to prove my man wrong
Imma play this Vandross
You gon' take your pants off
Imma play this Gladys Knight
Me and you gon' get right
Some Marvin Gaye, some Luther Vandross
A little Anita, will definitely set this party off right
She said she want some 'Ready For The World', some new edition
Some Minnie Ripperton will definitely set this party off right
I got you lookin' at the gliss at my hands and wrists
While I'm layin' back and smokin' on my canibus
When it come to rockin' the rhythm like Marvin and Luther
I can tell you ain't no messin' with kan-man and twist
From the chi and I be
Sippin' hennessy
Play some R and B
Tryina smoke A B
Lookin' properly
Feelin on A G
And always
Come with me and sip on some Heavenly champagne

You ain't know twista can work it like the whispers
Hit the stop light, get into some Isaac
The rims still moving so I'm bumping a little spinners
While I'm
Smokin on A B
Dippin' through the streets
Bumpin' R and B
And I got to leave
On the 23's
And I do it
When my earth and the wind smoke a fire
Let me get your sheets wet listening to Keith Sweat
Put you in a daze for maze
Fulfilling your every temptation slow jamin' having deep sex
You ready for the world girl
Come on over make me touch you all over your body
Baby don't say no to me
An every moment you controllin' me
I'm lovin' the way you be holding me when I be listening to Jodeci
And when I come over and bend your ass
You be bumpin' teddy pendergrass
I'd hit it from the back to the melody to roll it slow
Now I gotta go up in it fast, but imma finish last
No matter how much of a thug you see
I still spit it like it's R and B, come the club with me
And when some Luther come on
I hope you filla me and stilla be in love with me
Some Marvin Gaye, some Luther Vandross
A little Anita, will definitely set this party off right
She said she want some 'Ready For The World', some new edition
Some Minnie Ripperton will definitely set this party off right
Baby drop another slow jam
And all us lovers need hold hands
And if you ain't got no man hop up on my brougham
I keep it pimpin' like an old man
You gots to roll with the plan
'Cause after that then I
Take it to the dome
Then I got to bone
Stay up in the zone
Got to get you home
Gotta run up on
And I do it
Baby drop another slow jam
And all us lovers need hold hands

And if you ain't got no man hop up on my brougham
I keep it pimpin' like an old man
You gots to roll with the plan
'Cause after that then I
Take you to my home
And we could get it on
Whisper on the phone
Just to get you goin'
Tryina make you moan
And I do it
