

Warm All Over

[Sutton Foster](#)

Warm all over, warm all over
Every time you smile you get me warm all over
Sometimes I feel kind of out in the cold
But then I touch your hand and I'm home Home again and warm all over, warm all over
Gone are all the clouds that used to swarm all over
Please always let me keep feeling the way I do
So warm all over with a tender love for you Sometimes I feel kind of out in the cold
But then I touch your hand and I'm home Home again and warm all over, warm all over
Gone are all the clouds that used to swarm all over
Please always let me keep feeling the way I do
So warm all over with a tender love for you
