P.S.

Sanhedryn

P.S. I ain't never comin' back, I ain't never comin' back here again
it's over we're through
don't ask someone to change, don't ask someone to change
again until you know what you want them to change into
backed up against the wall, somehow you're still shining through
And by the way, I'm so sorry that I let you down
By the way, it's true
but anyway, someone's always gonna let you down
if not me, then who?
P.S. I'm so sorry that I let you down again
I'm so sorry that I let you down...

This is gonna haunt your dreams,
this is gonna haunt your dreams when you sleep to me
Don't ask someone to change, don't ask someone to change
until you want to around that mirror back on your own face
Backed up against the wall, somehow you're still shining through
And by the way, I'm so sorry that I let you down
By the way, it's true
but anyway, someone's always gonna let you down
anyway, if not me, then who?
P.S. I'm so sorry that I let you down again
I'm so sorry that I let you down
P.S. I'm so sorry that I let you down again
I'm so sorry that I let you down again
