

# Technology

## DJ Bobo

You are now  
In a world of music  
In a world of sample sounds  
Produced by  
A concentrately programmed sequencer  
In a world of beats and bars  
Creating  
A completely new dimension  
Listen  
To the results  
Of a tremendous dream  
Of technology  
Combined with deep emotions  
Let the dream come true
