

# Two of You

## Dizzy Mizz Lizzy

(Track 12 on "Rotator") Why tell me why

There's a river to cry tonight

Oh why

Try don't you try

You can never deny what's right

Don't you try Look at me

Caught

In your mystery

I'm giving twice the feeling

And I'm not receiving

Now my head is turning

And my eyes are burning

It's the truth I'm learning

What am I to do

With two of you Why tell me why

There's a river to cry tonight

Oh why

Try don't you try

You can never deny what's right

Don't you try I can see

You made a fool of me

And you've been double dealing

This is so revealing

Which of you is Mary

I can't tell it can't be

You've both been deceiving

What am I to do

With two of you Lyrics by Tim Christensen and Nic Wastell
