

I Can't Go On Without You

Kaleo

They thought they we're made for each other
Only thinking of one another
Never thinking just for one second
She would take a different attraction We don't want that
We don't want that
We don't want that , oh no We don't want that
We don't want that
We don't want that, oh no I can't go on without you
I can't go on without you
I can't go on without you
I can't go on without you So, what's the point of breaking my sweet heart?
You wanted me to let down my guard
Well, you know what they say
It's better that way, so you better hush
and walk away We don't want that
We don't want that
We don't want that, oh no We don't want that
We don't want that
We don't want that, oh no I can't go on without you... Well, was I supposed to wait for you sweetheart?
And hide away the pain, yes I
Keep it all inside, although the thought had crossed my mind
To do all the things, I'll regret and we don't want that We don't want that... I can't go on without you... She loves
me, she loves me not She loves me, my love don't love me So what is left but a broken man 'cause nothing hurts
like a woman can I can't go on without you...
