

The Forbidden Zone

Misfits

Some say that's where man began
On this wasted piece of land
Where evolution's yet to show
Forbidden ZoneBlasting into outer space
The planet of the apes
Evolutions's one heroCrossing a plain into another dimension
A million years into the future
Crossing a path into another dimension
We the unseenBack on earth it's all you'll read about
All the evidence destroyed
Maps and legends mark the firewalls
We the lost abandoned saviors
of the forbidden zone
