Where's the Money, Lebowski?

The Big Lebowski

It's come to this, you're covered in blood so how could you miss?
Who are we are?
Just take a seat, you've lost the will to stand up on your own feet
Who are we are?
Stop believing you're precious
And just take another hit for me
Stop believing you're precious
Because I gave you all that I could give

It's come to this, you're drenched in sweat so how can you sleep?
Who are we are?
Just take a seat, you've lost the will to stand up on your own feet
Who are we are?
Stop believing you're precious
And just take another hit for me
