On the Radio

Mind Spiders

Lyrics:bosson, music: bosson
Someone found me a letter you wrote me on the radio
And they told the world just how you felt
It must have fallen out of a hole in your old brown overcoat
They never said your name but I know just who they meant
Woa woa
I was so surprised and shocked and wondered too
If by chance you heard it for yourself?
I never told a soul just how I've been feeling over you
But they said it really loud, they said it on the air
Chorus:
On the radio oh oh oh
On the radio oh oh oh...now now

Don't it kind of strike you sad when you hear our song
Things are not the same since we broke up last june
The only thing that I wanna hear is it that you love me still
And that you think, you'll be coming home real soon
Woho yeah it kinda' made me feel proud when I heard him say
You couldn't find the words to say yourself
And now in my heart I know I can say what I really feel
'cause they said it really loud they said it on the air
Chorus
If you think that love isn't found on on the radio
Then tune right in you may find the love you lost
'cause now I'm sitting here with the girl I sent away long ago
She finally realized he said it really loud on the radio
Chorus
