Imaginary Person

Ty Segall

Cecile I can't tell, what you try to do to me,
Oh no,
Oh no,
Oh yeah, cause your in my head, so I never go to bed
Oh no,
Oh no,
Oh no.

Talk talk is all you do, so i never talk to you,
Oh no,
Oh no,
Oh yeah, cos your in my head, so I never go to bed
oh no
oh no

Cos' you, you are an imaginary person,
You're in my head, but i am certain you are real.

(SOLO)

You are an imaginary person,
You're in my head, but i am certain you are real.
you are real
you are real
you are real
you are real
