

Turn Up The Radio (Exclusive Version)

Autograph

Turn it up!
Yeah!
I'm working hard, you're working too
We do it every day
For every minute I have to work
I need a minute of play
Day in day out all week long
Things go better with rock
The only time I turn it down
Is when I'm sleepin it off Turn up the radio
I need the music, gimme some more
Turn up the radio
I want to feel it got to gimme some more Now listen!
I want to shake, I want to dance
So count it off a'one two three
I feel the beat, I'm in a trance
No better place to be
Daytime nighttime, anytime
Things go better with rock
I'm goin' twenty four hours a day
I can't seem to stop Turn up the radio
I need the music, gimme some more
Turn up the radio
I want to feel it got to gimme some more
Turn up the radio
I want to feel it got to gimme some more
