Luxurious

Sarah Blasko

There have been loves before that only held me down
Made me feel that I was never enough
Or I failed
But your gentle way with me brings out a lighter side
Feeling somehow I can finally open up
And bloom
This love is so luxurious
I'm not longing to be somewhere else
In order to receive it
Never stop believing
With all my heart I'll give my best for you
I never knew that love
could work so easily
To have the faith that I can truly be myself
And you'll stay
Your tender hand on mine
Could never hold me back
Feeling safe that I can have the space I need
Without fear
This love is so luxurious
I'm not longing to be somewhere else
In order to receive it
I'll never stop believing
All my heart, it beats for you
And it was worth the wait in time of you
And I am moving in
The same direction here is something we can both rely
This love is so luxurious
I'm not longing to be somewhere else
In order to receive it
I'll never stop believing
With all my heart I'll give my best for you
