Atom

Fabio XB

I'll be the first to admit
This is a bright but haunted age
I just don't know now, now
I just can't say, hey, heyWhen you get down
Down to the heart and the bones of it
Thats when it breaks, you know
Thats when it falls apart

But thats the prize nowOh, caveat emptor, open the atoms core

But thats the prize now

Oh, caveat emptor, open the atoms core

Oh, caveat emptor, open the atoms core, ohOh, oh, I just dont get itAnd you keep slipping

Down the surface of things

I just cant take it now

I just cant wait for moreWhen you get down

Down to the sub atomic part of it

Thats when it breaks, you know

Thats when it falls apart

Oh, caveat emptor, open the atoms core, oh, ohOh, oh, I just don't get it, get it

Oh, I just dont get it, get it

Get it, get it, get it, get it

I just don't get it, ohNo, I, I just don't get it

No, I, I just don't get it

Just dont get it, get itGet it, get it, get it, get it

Get it, get it, get it

Get it, get it, oh, get itWhats wrong with you?

Hey, lad

Hey, lad
