

# In My Lifetime

**Neil Diamond**

Hey boy, you got the address  
On the street of unknowns  
Big man smokin' on a cigar  
Dealin' on the telephoneHey boy, look out for flim-flam  
If you want to go real far  
Been there,  
And I believe, You got to be what you are  
In my lifetime  
In my lifetimeHey boy, you look like a million  
Hey now, show 'em what you got  
Hey boy, what you got to run from?I'll teach you all that I forgot  
In my lifetime  
In my lifetimeHey boy, when you write a rock tune  
You give up a piece of your soul  
Stay boy underneath a rockin' moon  
Try before you get too oldHooray, got yourself a road gig  
Any gig's gonna be fine  
Okay, you gave up your real life  
And I know whyIn my lifetime,  
I have been there  
I have dreamed it  
In my lifetime  
L, I, F, EIn my  
T, I, M, E  
In my lifetime  
(Holly Holy love)  
In my lifetime  
(Holly Holy love)  
(Shilo, when I was young)In my lifetime  
In my lifetime  
In my lifetime  
In my lifetime
