Always complainin, That's Correct
Sick of your lies, That's Correct
Ive heard your bullshit, That's Correct
Too many times, That's CorrectI dont know what I'll say
I dont know what I'll do
I know its getting old
I'm gettings tired of you
That's CorrectSick of the bullshit, That's Correct
Sick of the lies, That's Correct
All your complainin, That's Correct
All of the time, That's CorrectI dont know what I'll say

I'm gettings tired of you
That's CorrectTake it, take another piece, a little piece of my heart
That's Correct, Correct
Take it, take another piece, a little piece of my heart
That's Correct
Take it, take another piece, a little piece of my heart
That's Correct, Correct
Take it, take another piece, a little piece of my heartTake it, take another piece, a little piece of my heart

Take it, take another piece, a little piece of my heart
That's Correct
Take it, take another piece, a little piece of my heart
