Pretty Tied Up

Guns N' Roses

The pearls of rock 'n' roll decadence
I know this chick, she lives down on Melrose
She ain't satisfied without some pain
Friday night is goin' up inside her again
Crack the whip and that bitch is just insane
I'm serious
She's pretty tied up hangin' upside down
She's pretty tied up and you can ride her
She's pretty tied up hangin' upside down
I can't tell you she's the right one
Oh no, oh no, oh no
Once there was this rock 'n' roll band
Rollin' on the streets
Time went by and it became a joke
We just needed more and more fulfilling, uh-huh
Time went by and it all went up in smoke
But check it out
She's pretty tied up hangin' upside down
She's pretty tied up and you can ride her
She's pretty tied up hangin' upside down
Ohh I can't tell you she's the right one
Oh no, oh no, oh no
Once you made that money it costs more now
It might cost a lot more than you'd think
I just found a million dollars
That someone forgot
It's days like this that push me over the brinks
Cool and stressing
She's pretty tied up hangin' upside down
She's pretty tied up and you can ride her
She's pretty tied up hangin' upside down
And I can't tell you she's the right one
Oh she's the right one
Oh she's the right one
And I can't tell you she's the right one
Oh no, oh no, oh no
But I can tell you a thing or two
'Bout somethin' else
If you really wanna know

Know what I'm sayin'
