Do some jumping jack jack
Turn it to the right and do some jumping jack
Lets do some jumping jack jack
Do some jumping jack jack
Turn it to the left and do some jumping jack.Lets boggie to the ground ground
boggie to the ground ground
Turn it to the right and boggie to the ground
Lets boggie to the ground ground
Boggie to the ground ground
Turn it to the left and boggie to the ground groundCause I can do it
You can do it
We all can do it
ScreamLets hop from side to side side
Hop from side to side side
Turn it the right and hop from side to side
Lets hope from side to side side
Hop from side to side side
Turn it to the left and hop from side to sideLets bend and touch our toes toes
Bend and touch our toes toes
Turn it to the right and bend and touch our toes
bend and touch our toes toes
Bend and touch our toes toes
Turn it to the left and to bend our toes toesCause I can do it
You can do it
We all can do it
ScreamNow slow it all it down down
Slow it all down down
stand like you're frozen to the ground
Now lift up one your knee knee
Lift it up one knee knee
Stand just like a tree
Lift up one knee knee
Now close your eyes eyes
Close your eyes eyes
Try to keep your balance
Don't move from side to side
Now open your eyes eyes
Put your foot back down down

Do one jumping jack
and sit down on the ground ground
