Got to Get You Into My Life

Dave Koz

I was alone, I took a ride, I didn't know what I
would find there.
Another road, where maybe I could see another kind
of mind there
Ooh, then I suddenly see you.
Oooh, did I tell you I need you ev'ry single day
of my life?Got to get you into my life
Got to get you into my lifeYou didn't run, wyou didn't lie, you knew I wanted
just to hold you
And had you gone you knew in time we'd meet again
for I had told you.
Ooh, you were meant to be near me.
Ooh, and I want you to hear me say we'll be
together ev'ry day.Got to get you into my life
Got to get you into my lifeWhat can I do, what can I be, when I'm with you I want to stay there.
If I'm true I'll never leave and if I do I know the way there
Ooh, then I suddenly see you.
Ooh, did I tell you I need you ev'ry single day
of my life?Got to get you into my life
Got to get you into my life
Got to get you into my life
Got to get you into my life
