

I Was There

Bowling Family

I was there just the other day, By the Boling family Hey, hey, hey. Uncle John and Aunt Louise were there ya, ya, ya Cousin Brad he couldn't come, He was jail, Sitting on his thumb. I was there just the other day, By the Boling family Hey, Hey, Hey. Sing top for lines over again. The Boling family is from the hills, They don't like to pay there bills They like to drink there home made brew That's when i was by the Boling crew, Hey, hey, hey
