Damn Baby just hit the parking brake
You know what you are in for

{Screwed}
Swervin out the parking lot

Swervin out the parking lot
Bobby V and S dot
Of course these niggaz would hate to like me
Number one spot for four or five weeks
Made you slow down but now Im back seat
Yo main, my cuddy but she ya wifey
Enough of that poppin talkin bout me
All we need to talk about is yo cheeks
Damn you lookin like you cant wait to bite me
Imma show you the reason they call me B V
Cmon
Tilt yo head, arch yo back
Imma show you the reason they call me B V
Tilt yo head, arch yo back
Dont look like that I like to go deep
Tilt yo head, arch yo back
Imma show you the reason they call me B V

Tilt yo head, arch yo back
Dont look like that I like to go deep
Damn Babe
~Chorus~2x
Damn Baby just hit the parking brake
You know what you are in for
We on the interstate
You got me bout to errrr
Got me bout to errrr
Got me bout to errr
Got me bout to wreck
Damn Baby just hit the parking brake
You know what you are in for
We on the interstate
You got me bout to errrr
Got me bout to errrr
Got me bout to errr
Got me bout to wreck
Indeed
Next time I might need a hand
Need to take a whiff of this
Bobby V and S Dot
