

25 Minutes

Michael Learns to Rock

After some time I've finally made up my mind
She is the girl and I really want to make her mine
I'm searching everywhere to find her again
To tell her I love her and I'm sorry 'bout the things I've done
I find her standing in front of the church
The only place in town where I didn't search
She looks so happy in her wedding dress
But she's crying while she's saying this
Boy, I've missed your kisses all the time
But this is twenty-five minutes too late
Though you traveled so far
Boy, I'm sorry you are twenty-five minutes too late
Against the wind I'm going home again
Wishing me back to the time
When we were more than friends
But still I see her in front of the church
The only place in town where I didn't search
She looked so happy in her wedding dress
But she cried while she was saying this
Boy, I've missed your kisses all the time
But this is twenty-five minutes too late
Though you traveled so far
Boy, I'm sorry you are twenty-five minutes too late
Out in the streets
Places where hungry hearts have nothing to eat
Inside my head
Still I can hear the words she said
Boy, I've missed your kisses all the time
But this is twenty-five minutes too late
Though you traveled so far
Boy, I'm sorry you are twenty-five minutes too late
I can still hear her say
