

Don't Stop (doin' It)

Anastacia

Haha, yeah
Are you ready to do this one
Alright then, let's go
Come on, ooh yeah
Don't stop doin' that thing you do
Your sweet love is making me high
Don't stop givin' me all your love
I've been waiting for you all my life
Yes, you know I've been waiting
Don't stop, doin' it, don't stop doin' it baby
So they comin' around
They feed me all of their lives, yeah
But I can't be messin' up, no
Gotta love, keep me satisfied
And baby what I see
Whenever I look at you
Is all I ever wanted in this world
Nothing else is gonna do, sing on
Don't stop doin' that thing you do
Your sweet love is making me high
Don't stop givin' me all your love
I've been waiting for you all my life
Come on and sing it
Don't stop doin' it, I said don't stop doin' it baby
Friends got you down
Oh, they say you must be a fool, no
But there ain't nothin', no no
That I wouldn't do for you
'Cause I'm out here, always wrong

Every night and every day
And I'm asking just one thing
Don't you ever take your love away
Don't stop doin' that thing you do
Your sweet love is making me high
Come on, come on
Don't stop givin' me all your love
Don't stop doin' it, don't stop doin' it baby
Ah baby don't stop doin' it, don't stop doin' it baby

I'm giving you my all
I ain't gonna leave your side
I never let you fall
I won't be too far away
Anytime, at night or day
So baby just call
Don't stop doin' that thing you do
Your sweet love is making me high, just call me baby
Don't stop givin' me all your love
Been waiting for you all my life
Don't stop doin' that thing you do
Your sweet love is making me high
Don't stop givin' me all your love
I've been waiting for you all my life
Don't stop, doin' it, don't stop doin' it baby
Don't stop, doin' it, don't stop doin' it baby
Don't stop, doin' it, don't stop doin' it baby
