Look At the World

John Rutter

look at the world: Everything all around us
look at the world: and marvel everyday
look at the world: So many joys and wonders
So many miracles along our wayPraise to thee o lord for all creation
give us thankful hearts that we may see
all the gifts we share and every blessing
all things come of theeLook at the earth: Bringing forth fruit and flower
look at the sky: The sunshine and the rain
Look at the hills, look at the trees and mountains,
Valley and flowing river field and plain.Praise to thee o lord for all creation
give us thankful hearts that we may see
all the gifts we share and every blessing
all things come of theeThink of the spring, Think of the warmth of summer
Bringing the harvest before the winters cold
Everything grows, everything has a season
Til' it is gathered to the fathers fold.Praise to thee o lord for all creation
give us thankful hearts that we may see
all the gifts we share and every blessing
all things come of theeEvery good gift, all that we need and cherish
Comes from the lord in token of his love
We are his hands, stewards of all his bounty
His is the earth and his the heavens abovePraise to thee, o lord for all creation.
Give us thankful hearts that we may see
All the gifts we share, and every blessing,
All things come of thee
All things come of thee
