

She Is Beautiful (Andrew W.K. Cover)

Children of Bodom

I never knew girls existed like you
But now that I do
I'd really like to get to know youThe girl's too young
She don't need any better
It's all coming back
I can feel itThe girl's too young
She don't know any better
It's all coming back
I can feel it[Chorus]
She is beautiful
She is beautiful
She is beautiful
She is beautiful
The girl is beautifulYou're giving me rules and hints from all sides
And when you hit my back, you rub my eyesThe girl's too young
She don't need any better
It's all coming back
I can feel itThe girl's too young
She don't know any better
It's all coming back
I can feel itAnd though I never know you
I look at your face.
To tell you that I love you
Don't know what to sayGive everything I got to the beautiful girl
The only thing I live for in the whole wide world[Chorus]
She is beautiful
She is beautiful
She is beautiful
She is beautiful
The girl is beautifulI ain't got nothing to lose (Nothing to lose)
Going to throw it away
And talk to you
She looks good
She looks goodAnd it's true
And it's true
The girl is beautiful
She is beautifulI ain't got nothing to lose (Nothing to lose)
When I'm living one time
And I want you

She looks good
She looks good And it's true
And it's true
The girl is beautiful
She is beautiful She is beautiful
She is beautiful
Na na na na na na na na She is beautiful
She is beautiful
Na na na na na na na na The girl is beautiful
She is beautiful
She is beautiful
Na na na na na na na na She is beautiful
She is beautiful
Na na na na na na na na I ain't got nothing to lose (Nothing to lose)
Going to throw it away
And talk to you She looks good
She looks good
And it's true
And it's true
The girl is beautiful
She is beautiful I ain't got nothing to lose (Nothing to lose)
And I'll never forget
When I saw you
She looks good
She looks good And it's true
And it's true
The girl is beautiful
She is beautiful
