Break My Stride

Generics

Last night I had the strangest dream
I sailed away to China in a little row boat to find ya
And you said you had to get your laundry cleaned
Didnt want no one to hold you, what does that mean?And you said, "Aint nothing gonna break my stride
Nobodys gonna slow me down, oh no, I've got to keep on moving
Aint nothing gonna break my stride
Im running and I wont touch ground, oh no, I've got to keep on moving"Youre on the road and now you pray it lasts
The road behind was rocky, but now youre feeling cocky
You look at me and you see your past
Is that the reason why youre running so fast?And you said, "Aint nothing gonna break my stride
Nobodys gonna slow me down, oh no, I've got to keep on moving
Aint nothing gonna break my stride
Im running and I wont touch ground, oh no, I've got to keep on moving"Never let another guy like you work me over
Never let another guy like you drag me under
If I need another guy like you, I will tell him
Never want another guy like you, have to say, heyAint nothing gonna break my stride
Nobodys gonna slow me down, oh no, I've got to keep on moving
Aint nothing gonna break my stride,
Im running and I wont touch ground, oh no, I've got to keep on movingAint nothing gonna break my stride
Nobodys gonna slow me down, oh no, I've got to keep on moving
Aint nothing gonna break my stride
Im running and I wont touch ground, oh no, I've got to keep on moving
