Crash

Lunachicks

All that i wanted was to get away for a while
I got a cheap flight and I was good to go
Less than an hour in the air I felt it deep inside
I felt the earth come closer and closed my eyes
I can lookI falling
I falling
I falling
And there no one to catch meI falling (I calling)
I falling (I calling)
I falling (I calling)
No one gonna catch me!What did I do to deserve this?
Sysuphus pushed a rock
What in the store for me?What did I do to deserve this?
At the gates of hell
What waiting for me?
All I wanted was to get awayStuck in the mud now until my last breath
When I left the house this morning I wasn thinkin out death
My eyes are stuck together caked with the mud
My lungs are slowly filling with leaves and thwigs and bugsAnd I sinking
I sinking
And there no way outI sinking (I slippin)
I sinking (I slippin)
I sinking (I slippin)
No one gonna get me out!What did I do to deserve this?
Sysuphus pushed a rock
What in the store for me?What did I do to deserve this?
At the gates of hell
What waiting for me?
All I wanted was to get awayWhat did i do?
What did i do?
What did i do?All I wanted was to get away!
