

Long Hard Road Out of Hell

Marilyn Manson

I want to fly into your sun
Need fear to make me numb
Live like a teenage Christ
I'm a saint, got a date with suicide
Oh, Mary, Mary
To be this young is oh, so scary
Mary, Mary
To be this young I'm oh, so scared
I wanna live, I wanna love
But it's a long hard road out of hell
I wanna live, I wanna love
But it's a long hard road out of hell
You never said forever could ever hurt like this
You never said forever could ever hurt like this
Do do do
Spin my way out of hell, there's nothing left in this soul to sell
I live fast and die fast too
How many times to do this for you?
How many times to do this for you?
Mary, Mary
To be this young I'm oh, so scared
I wanna live, I wanna love
But it's a long hard road out of hell
I wanna live, I wanna love
But it's a long hard road out of hell
You never said forever could ever hurt like this
You never said forever could ever hurt like this
Do do do
I wanna live, I wanna love
But it's a long hard road out of hell
I wanna live, I wanna love
But it's a long hard road out of hell
Long hard road out of hell
I wanna live, I wanna love
But it's a long hard road out of hell
Sell my soul for anything, do anything for you
Sell my soul for anything, do anything for you
