

I Want You (Orchestral Version)

[Madonna](#)

I, yi yi yi
I, yi yi yi
I, yi yi yi
I, yi yi yi I want you the right way
I want you, but I want you to want me too
Want you to want me baby
Just like I want you Da da, da da, da da da I'll give you all the love I want in return
But half a love is all I feel, sweet darling
It's too bad, it's just too sad
You don't want me no more
But I'm gonna change your mind
Some way, somehow
I want you the right way
I want you, but I want you to want me too
Want you to want me baby
Just like I want you Da da, da da, da da da One way love is just a fantasy
To share is precious, pure and fair
Don't play with something you should cherish for life
Oh baby, don't you want to care?
Ain't it lonely out there? I want you the right way
I want you, but I want you to want me too
Want you to want me baby
Just like I want you I want you the right way
I want you, but I want you to want me too
Want me baby, just like I want you
Da da, da da, da da da I want you, the right way
Want me baby
Don't play with something you should cherish for life
